

# EQUAL PAY FOR PHARMACISTS SAFETY FOR CONSUMERS AND PATIENTS

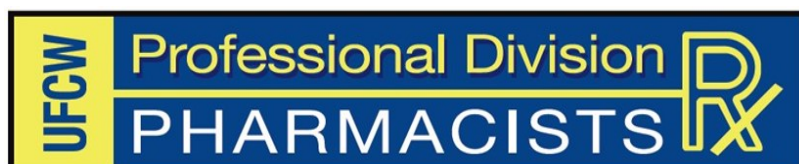

Grocery workers concluded their contract negotiations, but the pharmacists who work in this store still have no contract.

Pharmacists in this store are paid less than the industry standard, and have more responsibilities and less staff than stores like Rite Aid and CVS.

That is a dangerous combination for consumers, and shows that this store's owners are putting profits over patients and their consumers' wellness.

Help protect your own health and the rights of your pharmacist sign the petition demanding equal pay for pharmacists and safe staffing levels and hours to protect patients.

YOUR PATIENTS • YOUR FUTURE • YOUR PROFESSION
